

READ Lamentations 3:22-23

"The faithful love of the Lord never ends! His mercies never cease. Great is his faithfulness; his mercies begin afresh each morning."

True. Trustworthy. Believable. Loyal. Accurate. When we talk about faithfulness, we're talking about someone sticking by your side, being on your team, staying loyal. Someone who is faithful is someone you can count on. You know they won't tell you things that aren't true or try to hurt you. They are on your side. On your team. In your corner. Faithfulness is belief and trust and loyalty all rolled into one.

The Old Testament tells us so many times about what God has done for His people. Whenever they faced a problem, they'd list all the ways God had been there for them in the past. They would tell of a God who rescued his people again and again and a God who gave the people what they needed. They'd talk about how God cared for the people in the desert with Moses and how God showed the people that he was their friend. He was a God who could be trusted. He was FAITHFUL and He is still FAITHFUL to us today.

DO THIS WITH YOUR FAMILY AT HOME: Walking By Faith –

One person is blindfolded and the other person is the faithful guide. Have them walk around and have the guide help the blindfolded overcome minor obstacles by just using words like: STOP, GO, GO RIGHT, GO LEFT, TAKE SMALLER STEPS, ETC. Was the guide faithful or did the guide try to make the blindfolded person fall down and mess up? God is always faithful and will be there right with to help you up if you fall.
