### READ 2 Corinthians 9:10

*"Now He who supplies seed to the sower and bread for food will also supply and increase your store of seed and will enlarge the harvest of your righteousness."*

What God provides, He will MULTIPLY! He is the giver of all things and this verse reminds us that He is the provider and will increase the seed and harvest the righteousness. He is making us Holy in His multiply process. We must remember that all that we have is from God and for God. He is the Creator and the Sustainer. Give back to the Lord what is His and He will multiply it over and over and you will see miracles happen that can not be explained. Whether it is food, like the boy with the loaves and fish who fed 5,000, or money that your mom & dad give as tithes and offerings and still having money left over to provide for their family and more, God is good and He will supply and He will MULTIPLY!!!!

### PRAY

Lord, help us to understand that all that I have is from You and for You. You will supply all that I need and more. You are worthy of everything that I have and I give it all to You.  
In Jesus' Name, Amen.
