

This month we are learning a new worship song called NEVER FAIL by Anthony Evans. Take some time today to practice this song and sing it with your parents.

Our strength is renewed in your presence as we wait on You.
Our Joy is restored in your presence, as we worship You.
Our faith cannot be shaken. Nothing can separate us.

Our God is for us, He will never fail

READ DEUTERONOMY 31:6

"Be strong and courageous. Do not be afraid or terrified because of them, for the Lord your God goes with you; he will never leave you nor forsake you."

What a great reminder this song is to each of us. The Lord is with us and He will never fail us. What does that mean? As humans, we make mistakes because we are born sinners. We will lie, cheat, break promises, make bad choices, disobey, and on and on and on. BUT.....God is sinless and perfect and He will not mess up. His promises are true!!! When you feel alone, He is there. When you have been let down once again by a friend or even your parents, God is there. He has promised us many things in the bible and they are all true. Put your faith and trust in the Lord or God for He will never ever forsake you.
