

## Read Matthew 22:37-39

**37** Jesus replied: “ ‘Love the Lord your God with all your heart and with all your soul and with all your mind.’ **38** This is the first and greatest commandment. **39** And the second is like it: ‘**Love your neighbor as yourself.**’

Love your neighbor? Does that mean even the people I don't like or who have hurt me? How can we do that? This sounds a bit strange to the people of this world. If we ask God, He will help us forgive others. He will show us a kindness we can do for them. This Love can only come from God. God wants them to see that we have His love in us. You may see or hear a lot of crazy things during this season of elections. We have to remember that God tells us to love others and some of the words being thrown around on the news and TV are not always done in love. No matter what your opinion is, you can still love others as Christ has loved them. My momma always says that you catch more flies with honey than vinegar. Remember to show others that You have Jesus in your heart by the way you love them. Your actions may help them to come to know Him as their Savior.

## Pray

Lord, I pray for those who are unkind to me. Give me Your strength to be nice to them so they will see Your love in me!

Help me show love to my neighbors, all of my neighbors.

In Jesus' Name, Amen.

## WHAT CAN I DO DURING ELECTION TIME?

### READ I Timothy 2:1-2

“I urge, then, first of all, that petitions, prayers, intercessions and thanksgiving be made for all people—for kings and all those in authority.”

The Lord asks us to pray. Even though you are too young to vote, you can pray for our leaders, leaders to be, the people voting and for our country. Pray that everyone remembers that the Lord is still in control, no matter the outcome.
