Day 2

Why are you thankful?

What is forever? When does forever begin? When does forever end? Forever does not have a beginning nor does it have an end. It just keeps going and going without ever stopping. It always has been and always will be. That is why *forever* is a perfect way to describe God's love for us. His love is forever. W O W!!! That kind of love deserves a great BIG THANK YOU. And there is more. The God who loves us forever is also forever GOOD. So we never get to the end of God's goodness.

Take a minute to talk to your family about the things you are thankful for.

Stop right now and give God a great BIG THANK YOU!

Pray

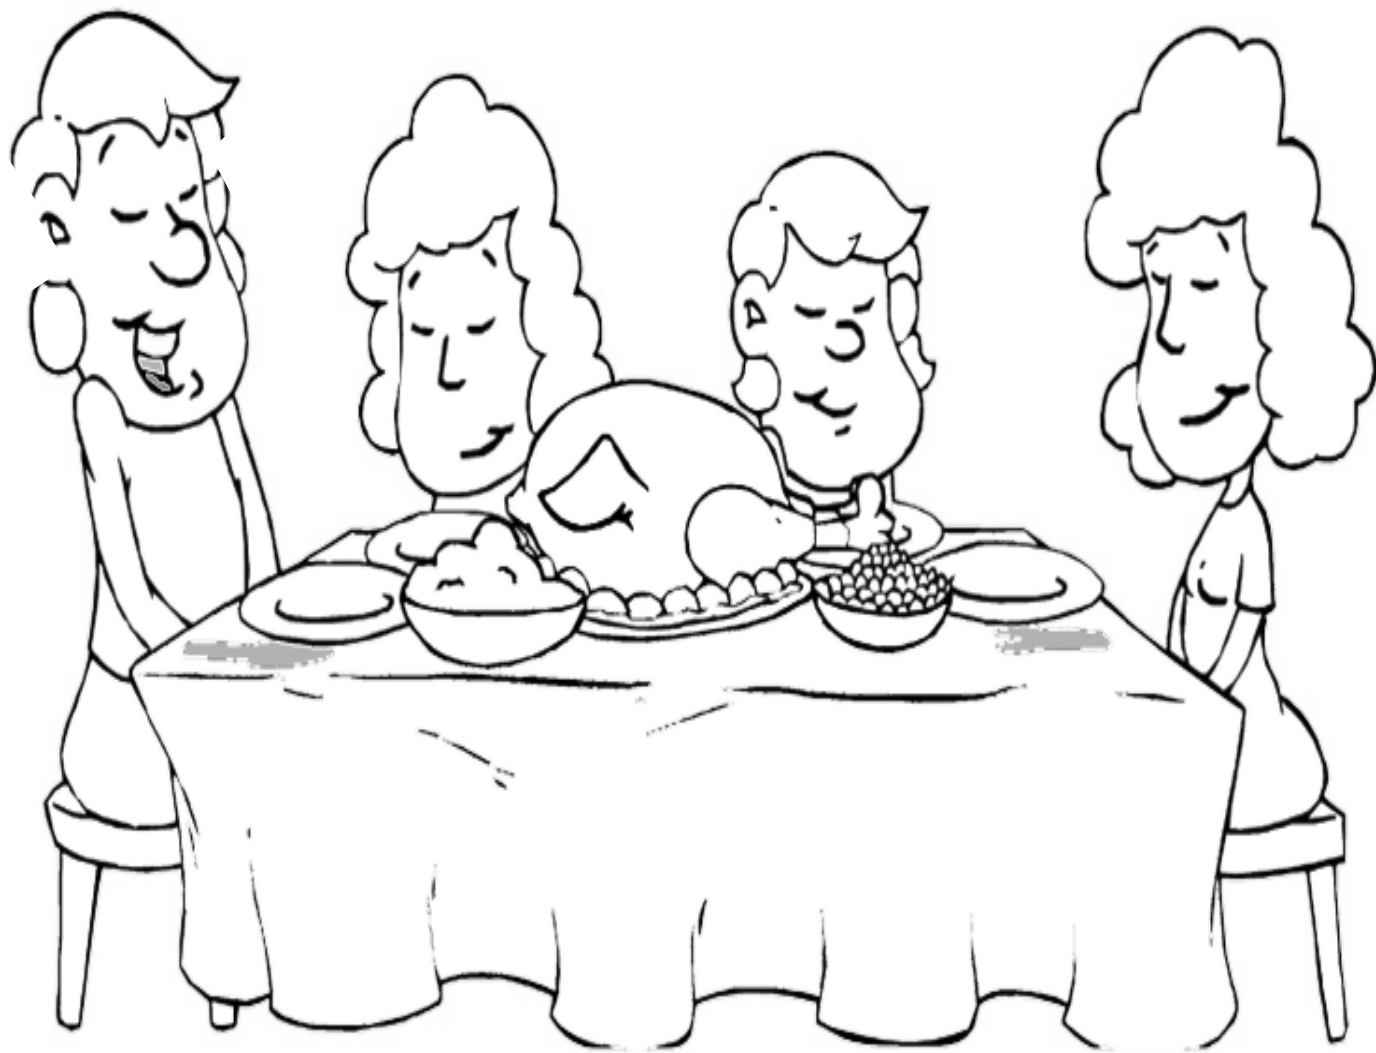

God, I am so thankful for Your great love and I am thankful for all the many things You have given me. Help me to remember to be thankful every day.

In Jesus' Name, Amen.

Color the picture and tell us what you are thankful for this year.
