

Day 3

Read Matthew 15:8

“But the things that come out of a person’s mouth come from the heart, and these defile them.”

In the first stanza of the hymn, did you notice the writer chose three specific adjectives indicating the condition of a heart that can truly say, "Have Thine own way, Lord"? They are "waiting," "yielded" and "still". Unfortunately, many of God's children are far from this holy condition! How then could we ever sing this hymn from our hearts when they are not waiting upon God or when they are not yielded or surrendered? How then could we ever sing this hymn from our hearts when they are not still? When you sing these words make them your prayer and words that you truly mean: otherwise they are just words that have no meaning.

Pray

Lord, help me to mean the words I say and pray to You.
I want my life to show that I love You and I know You want what is best for me.
In Jesus' Name, Amen.

Day 4

It is no accident that many of our favorite hymns were born out of sorrow and distress, the times when all seemed hopeless. The writers were pouring out their inner feelings to lift their spirits to the Lord to be refreshed of Him. What would your song be about if you wrote a song today? Are you going through hard times? Are you going through times of blessings and happiness? You know it doesn't matter how old you are to write a song.
What is the title of your hymn to Jesus?

Pray

Lord, help me to find a song in my heart to sing to You.
I give my life to You each day.
In Jesus' Name, Amen.

Day 5
