

Day 3

Read the words of your hymn. Did you find the word “wrought”? It is an old-fashioned word for “created.” If Jesus has come into your heart He has *created* a wonderful change in your life. Have you asked Jesus to come into your heart and be your Lord and Savior? If you haven't become a Christian yet and that is something you think you are ready to do, then take the time to talk to an adult about this very important decision.

Pray

Lord, thank You for the gift of Jesus and allowing us to ask Him into our heart so that we can be in a relationship with You. Help me change to be more like Jesus as You have created me to be. In Jesus' Name, Amen.

Day 4

When Billy Sunday was a baby he spent most of his childhood in an orphanage. He grew up to become a pro baseball player and set many records for stealing bases. Billy made lots of money and loved to spend it in the wrong places. One day he heard people on the streets of Chicago singing about Jesus. They invited him to come to their mission and Billy soon gave his life to Jesus. His life began to change! He began studying the Bible and started sharing Jesus.

Look up and READ **2 Corinthians 5:17**.

What does it say happens to you when Jesus comes into your heart?

Pray

Lord, help me to turn in Your direction and walk with You and become more like You. Only with Your help can I begin to change. In Jesus' Name, Amen.

Day 5

Billy Sunday made a lot of money playing ball, but he decided to quit and travel around America preaching about Jesus. He spoke to millions before we had TV and radio programs. Hundreds of thousands came to know Jesus because Billy hung up his baseball shoes and “hit the sawdust trail.” Many lives were changed. Many small towns were changed. Big cities were changed. He became the most famous preacher in America of his time. It is no surprise that he liked to sing this hymn at his tent meetings. Isn't it amazing how God took a poor orphan boy and used him to change the world? You, too, can change the world around you.

Pray

God, please show me how to make a difference now that You have made a difference and a change in me. I know You can use me for Your glory in a special way. In Jesus' Name, Amen.
