

January Hymn DQT 4th Grade

"Praise to the Lord, the Almighty"

Day 1

The author of your January hymn, Joachim Neander, was German & lived from 1650-1680. He was the grandson of a musician & a teacher's son, so it probably surprised no one when he became a teacher and preacher who wrote over 60 hymns and many hymn tunes. Joachim became a Christian at the age of 20 at St. Martin's Church of Breman. He wrote this hymn when he was 30. He had just become a pastor at St. Martin Church when he became very ill and died suddenly, probably from the plague. It is still one of the most famous hymns ever written and is frequently sung in churches all over the world. It calls God's people and all of creation to praise God. Will you stop and praise God for all He has done for you?

Pray

Lord, I praise You for all that You have given and all You are going to do. You are the almighty God and I love You. In Jesus' name, Amen.

Day 2

Look up *Psalm 103:1-6* upon which (along with *Psalm 150*) this hymn is based. As you read, complete the missing blanks with the words found in your Bible.

Pray

Lord, help me to learn how to praise You with all my heart, mind, and soul. I will praise You for all things.
In Jesus' name, Amen.

Can you say a prayer of thanksgiving to God for men & women like Neander who used their gifts of writing words and music to praise God? Pray that you will always want to praise and thank God for His great goodness.

Pray

Lord, thank You for all of the people who have used their gifts to praise You. Help me to use the gifts You have given me to praise You everyday.

In Jesus' name, Amen.
